Best projects

- web: www.github.com/tBlabs
- embedded: www.projekty.specteam.pl/tBlabs

Education

- 03.2004 - 09.2008 - **Polytechnic in Białystok**
- 02.2017 - till now - participant in many workshops :)

Languages

- English (B2/C1)
- Polish (native)

Programs knowleage

Visual Studio Code (+Vim extension), GIT, FreeCAD, GIMP 2, Notepad++, SVN, Yira, Code Collaborator; + many embedded stuff

About me

Design patterns lover (especially CQRS and IoC). Can't live without Typescript, tests and OOP.

Like to work alone and in small teams.

I often attend at programmers meetups (JS, .NET, Java, IoT). I was a speaker few times.

Drive-license A & B.

Hobbies: programming & electronic design; swimming and [motor]bike riding
